How it Works

1. Enquire & Dream

Reach out to us via email or WhatsApp and tell us all about your special day. Share your event date, venue, and the pieces you have fallen in love with – whether it's one statement item or a complete package.

2. Design & Confirmation

Once we've confirmed availability, we'll guide you through your options and finalise the details. A £100 non-refundable deposit secures your booking and allows us to reserve your chosen items exclusively for your date.

3. The Final Touches

Ahead of your wedding, we'll confirm delivery times, venue access, and any final details needed to ensure a seamless setup. Your remaining balance is due no later than 30 days before your event.

4. Delivery, Set-Up & Collection

On the day, we deliver and set up your hired items at your venue, ready to be admired and enjoyed. After the celebrations, we return to carefully collect everything - leaving you free to focus on making memories.

How the Audio Guestbook Phone Works

Our audio guestbook phone is a beautiful way to capture heartfelt words, laughter, and well-wishes from your loved ones – memories you can replay for years to come.

How it works:

1. Guests simply pick up the phone receiver
2. They will hear a pre-recorded greeting message chosen by you
3. After the beep, guests leave their personal message
4. Once finished, they hang up... it's that simple!

The phone features 16GB of internal storage, allowing plenty of space for all your guests to leave messages throughout your celebration.

After your event, Lamboura Luxe Events will collate all recordings and provide you with a digital audio file containing every message captured on the day.

Please note:

As this is a live event recording, some background noise may be present depending on the placement of the phone and surrounding atmosphere. This adds to the authenticity and charm of real, unscripted moments.
